

## 2021 Summer Camp-In-A-Box Sponsorship Program

Sponsorship Close date June 30, 2021

For the past 28 years, GFBF has hosted Camp Oo-U-La for burn injured children aged 7-17; an enriching weeklong summer camping experience designed to positively impact their psychosocial and emotional recovery.

GFBF remains committed to healthy and safe programming for our burn survivor populations. In response to COVID-19 preventing burn camp from taking place this year, we have created **Camp-In-A-Box** as a fun way to stay connected and engaged with this unique group of children!

**Camp-In-A-Box** will be mailed via USPS in July to an estimated 100 children and contain an array of summer treats, activities, and other goodies. Albeit nothing can adequately substitute for burn camp, this special delivery package is designed to bring a little camp joy and magic to the kids' doorstep, while keeping them connected to GFBF and the burn community.

### Why Sponsor?

GFBF program offerings like **Camp-In-A-Box**, are provided at no cost to burn survivors or their families. This is only accomplished through the dedication and contributions of Georgia's fire service, generous donors, outstanding volunteers, and the local business community. Your support provides the critically needed funding to ensure... *Help, Hope & Healing Beyond the Burn!*

Sponsors also become a part of the GFBF mission which is to partner with the fire service and burn care community to provide fire safety and prevention education, support medical facilities and assist burn survivors in their recovery.
